“ Jerry and I were so sorry to hear about David's passing. Your dad was very instrumental in helping us negotiate the engineering intricacies when we totally remodeled the farmhouse in Salem that belonged to Jerry's grandparents, Ken & Minnie Sellers. He and your mom came to Naples one year for a bit of fun sometime after the completion. The only photo I could find is one taken on the back porch of the house one summer when our family was out visiting and we had a barbecue. This is my brother Rod sitting with him. I know you will miss him greatly, he certainly was a terrific guy. Sending our condolences, Linda & Jerry Brown

“ Dave and Francis were the first people to greet our family when we moved to Salem in the late 1960's. He and my father worked together at MOLOC, and my father felt Dave was the most intelligent man he had ever met, and we were proud to have he and Francis as our family friends. Dad and Mom enjoyed all of the wonderful times with Dave and Francis, as well as my brothers and sister, and my wife and I. I feel truly blessed to have had a chance to meet and know him, as well as the entire Wells family. God bless all of you.
