“ My sister Kathy was the most selfless loving human being. She strived to care for her loved ones. She took on helping mom and dad raise us being the greatest example of a giving heart. She was so pure and always walked in God's path. If she only knew how much she meant to so many. We love you Kathy. You will always be in our hearts. You let your light shine on us and now we can pass it on to others.

“ Kathy was a dear friend of mine all the way through school . I loved her like a sister our lives were so different as she was extreemley bashful and i was very outgoing. Kathy was very dedicated to God and her family. I , and those who knew her have no doubt she is in heaven waiting for the rest of us there. Me and so many of her classmates will forever hold her dear in our hearts as we all admired what a truly great person she was. WE spent alot of time together as kids and some as adults but life seperates people sometimes but i will always have the memories we made together and will forever treasure ourtime together. carol
