She was a one of a kind grandmother and loved her grandchildren dearly. Margie cherished time spent with her family and loved ones. She was a great neighbor and a good person who lived life to the fullest. She had a passion for life and was always ready for the next adventure. Margie was a longtime member of First Baptist Church of Sedan, Kansas. She was also a member of the Dorcas Society.

“ Margie was like a second mom. Sue and I hung out a lot together and when we would get a little wild Margie would look at us. That was our cue to think again. Loved her and will miss her forever. Enjoy your Angel wings mom.
