“ Me and my boyfriend Denver worked for him for a few months during the summer one year. He was such an amazing man. We loved sitting with him plenty of times and hearing his stories about him and his wife. And their travels. Amos gave me some rocks and plants of his wife's that she collected over the years of them traveling and seeing places around the world. I can only imagine how happy his wife made him. She was beautiful. Rest in peace to both of their soul's. ❤️ ~dystanie Wallace
