“ Bessie my sweet loving outgoing grandma there are so many memories I can't even make all of them she was one of my best friends. When I got the call my heart sank I don't know how to feel I just know things aren't the same I can't just call her up for advice when I'm lost and don't know what to do. I just hope she knows how much everyone loves and misses her and I hope grandpa met her at the pearly white gates with open arms because we all know how much she missed him □□□□
