“ To the family of Beverley Burke, I pray the comfort of the Holy Spirit be with you all. Bev is finally where she longed to be - with her Lord and Savior, Jesus Christ. I know that she loved her children, grandchildren and great grandchildren with all of her heart. She prayed for you all daily, and always wanted nothing but the best for you. I pray that you cling to the legacy she left for you - to love the Lord your God with all your heart, mind, soul and strength and trust Him in all that you do. Always remember that she has joined that great cloud of witnesses and now is cheering you on as you run your race. With deepest sympathy, Rev. Deb Smith - Bev's Tampa friend.
