“ *Everytime we went to visit, he was always so accepting and welcomeing both him and his wife always giving us gifts and little treats. I appreciate his acceptance as his great grand daughter and how he accepted my father as more as a family member than his actually grand daughter I appriciate it and always will*

“ *Sorry to see the passing of Billy Van. Even though Billy was older than me I always remember his love for Ford Mustangs back in the Sixties. May his family be comforted at this sad time.*
