

Carl Eugene Sapaugh

March 19, 1945 - July 31, 2022

Carl Eugene Sapaugh was born on March 19, 1945, in Dent County, Missouri, to Sylvan and Dorothy Mabel (Petty) Sapaugh. He grew up in Salem and graduated from Salem High School.

Carl was blessed with one son, Brian, from a previous marriage. They had a bond that grew beyond father and son, they were best friends. Carl worked hard to support his family and was a proud father. He taught his son the importance of hard work and determination.

Carl started his working career as an engineer with General Motors in St. Louis; he then worked at the Corvette Plant in Bowling Green, Kentucky and later relocated to Detroit and then Saturn in Spring Hill, Tennessee. Carl retired after thirty-one years of dedication. After retiring, Carl then went to work for Dow Chemical for fifteen years.

Carl lived life to the fullest, never met a stranger, and loved to help others. He was an avid outdoorsman who enjoyed fishing, deer hunting, traveling, and a good game of golf. Spending time with his family and friends was the most important part of his life.

Carl departed this life on July 31, 2022, in Salem, Missouri at age of seventy-seven years. He leaves behind to cherish his memory, his loving son Brian

Sapaugh and wife Heather of Telephone, TX; siblings: Shirley Dean of Salem, MO, James Sapaugh of Salem, MO, Eldon Sapaugh of Salem, MO, and Linda Dinzler of St. Louis, MO; as well as a host of nieces, nephews, other relatives, and dear friends.

Preceding him in death, parents: Sylvan and Dorothy Mabel Sapaugh and brother: Jewel Sapaugh.

Carl was a thoughtful, one of a kind, big hearted and funny man. He loved to cut up and aggravate others. Carl leaves behind a great legacy and will be forever missed.

So sad of hearing Carl's passing. We were good friends for many years in St Louis & Bowling Green. As our lives took us different locations and a long gap without talking came and went our reconnecting just a short time before Carl's passing we did enjoy our conversation. It was as if all the time that passed by Carl was still the same caring friend. He will be missed.

I worked with Carl at the Saturn Assembly Plant in Spring Hill. They were giving out early retirement, but not to Engineers. I had lunch with Carl and he told me that he was retiring. I asked him how he was doing that and he said I'm taking advantage of "30 and out". I went to the Personnel Office and signed up! Very sorry to hear of his passing.

“ *Thoughts and prayers to the family. Carl and I go way back to St Louis and working together at General Motors. Many conversations and laughs. Then helping set up the Corvette plant in BG KY. Having a recent phone conversation just brought back our friendship and memories of our youth from decades ago. No question Carl will be missed. RIP old buddy.*
