“ Carol was an awesome lady! On my birthday one year she took a gift bag and filled it with candy to give to me. Her gesture turned into a tradition we shared between our birthdays each year until she retired. Carol talked a lot about her family including her dad, Kay and memories of her mother, her daughters, grandchildren (including Jake of course), and great grands! She told stories about her long time friends, girl's weekends, camping trips, and the local organizations she belonged to. Carol was direct and I loved that about her but she also truly was a good friend and person! May each of you who were close to her remember the good person, the good times, memories, and the friendship she shared while she was in your life and find comfort in the memories!

“ To Lynette and Leah and all of Carol’s family...I was so shocked to hear of Carol’s passing! What a wonderful friend she was....always so much fun from the Eagles days when you girls were small. She would have my deceased husband, Meredith and I come down for a pasta supper before going to the club! She made the BEST garlic toast out of hamburger or hot dog buns to go with the pasta! I’ve kept in contact with her for 30 years since those days. I will definitely miss her. Prayers for all of you and RIP Carol.
