“ My prayers are with the family and loved ones of Dakota. I saw her memorial at Dry Fork when I was visiting the gravesite of Debbie Barton, a family member, who also passed into Heaven at such a young age. I was immediately touched and stirred in my spirit with love for Dakota and for her family. As a Christian, I believe it is God's Spirit that allowed me to see and visit Dakota's memorial (as well as Kayla's), to love and appreciate them and to love and pray for their families. So if a tribute may be sent from someone who didn't have the honor of meeting Dakota here on Earth, then please accept mine, as it is deeply heartfelt. And I realize that I have all of eternity in Heaven to get to know Dakota and find out more about her bubbly personality and laughter that so many of you had the privilege of knowing and experiencing here with her. With all my love, peace, and prayers, David

“ I met Dakota and Tina when my daughter took her under her wing and done pageants with her. She was truly a angel on earth. May you enjoy your heavenly body now sweetie, and rest easy in the arms of your creator. Prayers to her entire family, especially Tina and her dad!
