Darell had a smile that would light up the room. First time I'd met him 45 plus years ago when I was a kid in grade school , Darells sister Donna was my best friend. I'd spend many nights at their home. It was the highlight of my grade school year. I recall the first time I'd met Darrel he would laugh and play right along with the rest of us during my sleep overs . Many years had pass and like most folks we all moved our separate ways as we lost contact . I often thought of Darrell and what a happy heart touching personally he always seem to have . A smile one never forgets. It wasn't until a few weeks before Darells passing that I had the honor of getting to spend some time with him and sister Donna again. My biggest regret is not having reconnected with them sooner. But the one thing I'll always remember is that beautiful smile that touched my heart just as it did all those year's ago. What an impact Darrell had on the hearts of so many. My thoughts and prayers goes out to the family. Fly high Darrell gone but not forgotten..... God called another angle home..
