“ *From my younger years, I have many fond memories of times spent with you grandpa. Most of them include fishing or walking around on your property. You were a lover of nature and I'll remember you for that. Although deer hunting wasn't my thing, I can see you in camo in my mind showing off the buck you shot. It has been a long time, too long if you ask me. I wish you could of met the twins and showed them how to fish. Rest In Peace now* ❤️
