“ My thoughts and prayers to his family. He was a big brother to me. I have known him since around 1982. Him and Kenny became part of our family. We have had many great times together. Lots of laughs and stories. He was an amazing man. One of the biggest hearts ever. He will be greatly missed by many. I love the big guy. Say hi to mom and dad bro. Love you.

“ We have only known Don a short 4 years. We moved from WI as he and Linda did, he welcomed us into his family. Don and my husband became great friends, fishing, working in the yards, helping us learn more about country life, lots of laughter and stories. He will be greatly missed by us forever. RIP 💙
