“ *We stood together for 21 yrs, and 2 days shy on 9 monthes. May 5th we would have been together 22 yrs. My friend, thank you for the laughter. My confidant, thank you for always being there. My teacher, you taught me so very much, about life, love, and myself. My cohort, we had so much fun, it really is the little things that matter. My love, thank you for trusting me with your heart, after your past, i know it wasn't easy...thank you for being careful with mine. My life, with the greatest of ease, became our life. And what a life it was. My Wolfie I felt your last heartbeat. I will carry it next to mine for the rest of my life. Words cannot say how much I love you. We promised till death do us part. I will be yours till the day I die my lovey.*
