“ Duane was a student of mine at Ritenour during the 70’s and then a lifesaver for me on many occasions when I had car troubles with my many used cars over the years. He always made time to address my issues— often tire problems. He was particularly gracious and kind after I lost my husband to cancer. Our family really missed his great service and grin when he was able to retire to his country home. Rest in peace dear Duane. My condolences to all who loved him as family or friend.

Duane you will be miss dearly. I really missed seeing you at the station. When I drive by there I think about all the good times you and John had. John loved going down to Steelville doing hey for the horses and John love going hunting down there with you Duane now you are in heaven with John and enjoying John’s company now I know you miss him a lot that’s all you ever talked about was how much you missed your best friend. I just wanted to let you know that me and the kids will miss you and I am so sorry to hear that you had passed. Love you Duane.
