“ *I am so sorry for all your losses. My heart hurts. Gregg was a awesome person and a very sweet and kind d person. He was very talented as well and knew how to draw and was a great artist. Always thought he would of been a great cartoonist or worker for Disney. Maybe he can be one in heaven. So sad to lose so many and glad I got to k ow Gregg and his whole family. My prayers go out to each one of them. Just remember it's not goodbye it's until I see you again.*

So sorry for your loss and only keep the fond memories in front for the next month. Didn't know Gregg, but if he were anything like Chris, he was a great guy.
