“ *To all of my Inman family, I am just so sorry. Jack was so special to  
all of us. We all have so many stories we could share of this guy!  
From playing jokes on us, to frying lots of fish (and always making  
sure Mother had some crappie) and telling us some BIG stories! I  
will always cherish those memories as I know each of you will. I am  
comforted in knowing he is with all of the ones he loved so much in  
Heaven and is no longer in pain. I love all of you and am praying for  
God to comfort you as only he can. Love Donna*
