As a 10 year old.....I read Uncle Jimmy some lines that I wrote.... He pushed back his hat and gave me this quote....you have a talent and one that I love....you write like a poet God sent from above...I said here are the words I have so far.....he put them to music on his guitar.....we didn't practice or sing very long...but 20 years later he remembered our song....I sat right beside him and we sang out out the words...and this morning I dreamed of him,his guitar I heard.I know he's above us, where Heaven's bells ring....and once again some day together we'll sing!!!
