I went to Salem High School with Jean Ann. She always had a smile on her face and lit up a room when she entered. She was always so happy go lucky as they say. She left the earth way to early but can be comforted by the Lord. Rest in Peace Jean Ann.

“ She was always a wise happy sage! Even in high school she was always so comforting and ready to laugh. Her voice was strong and had the sweetest vibrato!! She could sing ANYTHING and sound epic. It was tough topping three part harmony with four other gals! It was always shocking to me when she seemed overly humble when she was such a talented and energetic performer! She can now dance and sing forever with total abandonment! Jean Ann (Tunie): You were a sweet spot in my life that will be sorely missed till we meet again!
