“ *Jeri Ann was always a great mentor to me. She taught me many first experiences in life. Just a few to mention were: teaching me to drive, teaching me to drive a 5speed, teaching me to shoot a gun, teaching me how to safely light fireworks at a young age, from a very young age she taught me how to enjoy life, have fun, Love self First, Love family regardless, try to forgive others as I would want their forgiveness, embrace my inner self, always have compassion, not to worry what others think of me but instead be sure of who and what my SELF is, and Always remember who my family is and always place them BEFORE anyone or anything else. Jeri Ann was a unique, Beautiful Soul whom I adored and admired every day. I wish I could have more of her self confidence. She was finally living her dream here on Earth.....that being full of loving her family, they loving her back and having unconditional Love to and from her beautiful Horses. I know she is riding fast and hard in the heavens with all the beautiful Horses shes always dreamed of. I Miss You my Sweet, Beautiful Cousin-I Love you Even More. Love Always, Suzy, Nathan, Kelsee & Natia*
