What a fun loving woman. You're one of the easiest people to love because your heart is pure gold. I can only imagine how much you will be missed. I can hear you signing now and resting in peace. All my love to the family as they navigate through this journey. Love you so much.

Joann was an old friend of my sister, Glenda Wartenbe. In fact, I believe they were once roommates a long time ago. I met Joann several times and I so enjoyed the stories she would tell and her wonderful sense of humor and laughter. Condolences to the family.
