

Josie Ann Abney

February 6, 2010 - October 3, 2020

Sweet Josie Ann Abney was born on February 6, 2010 and spent her childhood in Salem, Missouri. Josie was a cute little redhead who was full of life and had an amazing personality. Josie was a ray of sunshine, beautiful inside and out, she always had a smile to share and was a blessing to all. Though she didn't live many years on earth, she deeply touched the hearts of those who knew her.

Josie entered the arms of Jesus on October 3, 2020. She touched the lives of so many; our beloved, shining, happy girl, the light of our lives and the star of our hearts and leaves us smiling through our tears. She was joy personified. Josie leaves behind family, loving friends, and a caring community. She will be sorrowfully missed by all who knew her.

Graveside Services for Sweet Josie Ann Abney were held Tuesday, October 13, 2020 in the Cedar Grove Cemetery with Pastor Lyndell Decker and Diann Anderson officiating. Thank you to Salem's First Responders for serving as Pallbearers. Arrangements were under the direction and care of Wilson Mortuary of Salem, Missouri.

“ *when she was a baby she stayed with me. before she was adopted with this family, she was in a broken home. for a short while, before the foster system took her away i had the honor of having her with me. i took her to baseball games in winona missouri she loved watching. i had chickens and she was so gentle with the baby chicks. she loved all animals and was such a happy calm baby i loved her so much. i wanted to adopt her, but when i heard she was already adopted i was unable to contact her and had no idea where she went off to. i had always thought about her. everyday, even when i had my own son i still think about her. she was like my baby and i feel like i lost a child. i wish so badly i knew where she was and i wished she could know how much i loved her. im in japan now, and i was heartbroken to know i couldnt attend her funeral i loved this child more than my own life. she deserves better. i want the world to know, she was just the sweetest kid and she inspired me to be a mother. i never wanted kids till i met her, and her big heart. she was an animal lover, creative, and adventurous. she loved cuddles and snuggles. i wish i could have seen her grow up. i missed her so much i hate that this is the first time i heard about her in seven years. josie... ill always always love you. and you will always be my girl.*

“ I was a substitute teacher at North Wood in 2015 and Josie was in the kindergarten classroom across the hall. I remember the first time I saw that adorable red head, missing her front teeth, thick glasses and the cutest raspy voice. Josie didn't seem to know a stranger and all of the other classes knew her. That was the last time I saw her after that week of subbing for the kindergarten class across the hall. When I heard the news, my heart shattered and I haven't been able to stop thinking about her impact on my life, barely even knowing her. I am so deeply concerned for other kids that are failed by the system, but I have comfort knowing she is safe now. Thoughts to all of those who were also blessed with knowing this sweet, sweet child.
