“ Sue was loyal to Division of Aging and all of the Social Workers in our district. She helped us to strengthen the agency. She was very sorry when we were effectively disbanded and our agency ceased to exist in its original form. However, we have formed friendships that have endured. We all looked forward to our gatherings when we ate, talked and enjoyed the company of our former co-workers. Sue will always be missed at these gatherings, but she will remain a strong part of our memories.

God bless you Sue, Rest In Peace.

Stanley, Andru, and Family Members, My sympathy and prayers for all of you. Sue was such an efficient and caring member of our team at Division of Aging, and she was so much help to me, who was a newcomer to the division, when I followed the beloved Louise Sutton, supervising our experienced and talented social workers. Sue had a delightful sense of humor and contributed so much to make all of our jobs easier. I'm sure she will be greatly missed by all. May she rest in peace. Joyce Melchers
