“ It took me all week to get on here. It's still hard to believe you are gone. We will forever miss you. I'm so grateful I had you as a dad the past 40 yrs. The past 5 weeks you were in the hospital you showed your sweet loving and funny side I always loved. I will never forget being a teenager and you always let me get my way. If mom said no, I ran to you lol You were always so great with me. I was blessed to have such a great man love me like a dad. Thank you for all the help getting the big boys through College and Vincent his first apartment. The boys miss you so much. Vincent is so sad. I hope you know how much we all loved you dad. I'm sharing this picture of you and Dylan from the last time we all went out to eat and laughed for hours. Dylan talks about you all the time still. You really were a wonderful grandpa too. I wished we had more time. We love you always and forever ❤️

It is so hard saying good-bye to my husband. He will be so missed by his children, grandchildren, great grandchildren. We have all shared so many great memories with him over the last 40 years. The things that he said in a joking way made us laugh so many times. He was a St. Louis Cardinals fan and we never missed a game. He loved Amateur Radio. His call sign was KB0ANA. He now will be a silent key in Amateur radio. He loved the older model VW's and was a great VW mechanic. He was an over the road truck driver until his retirement 2011. He was a man full of knowledge and strength. He is so loved and going to be so missed. I will never forget you sweet heart. I love you.

*Dearest Ken,
For it was not into my ear you whispered, but into my heart.
It was not my lips you kissed, but my soul.
May you now rest in peace.
Love
Your Wife

“ Grandpa, Gabe and I will miss you and forever hold you in our hearts! We will cherish all the memories we had with you. You were an awesome grandpa/great grandpa. You always made us laugh and new how to have a good time. I will always remember you loving ZZ top and amateur radio. I remember how you would be in your room talking on the radio with your friends near and far. I will always remember you driving your semi truck. I will always remember going with grandma to either drop you off when you were heading out and picking you up from your truck when you returned. I will always remember that one time when we went star gazing when I was a little girl. I will always remember you dressing up as Santa Claus and handing out presents at the church we went to when I was a little girl. I will always remember you loving those Zesty bread and butter pickles that I would get for you. Gabe will always remember you looking like Santa Claus with your beard and will always remember the cookies you would get him when you knew we were coming to visit. You were the best grandpa/great grandpa that we could ever ask for! You will be greatly missed!
