*To the entire Carty Family. I can't sympathize enough the sadness of this loss. I'll always cherish the lake trips, the deer hunts & just the time spent talking about the ways of the world! Celebrate his life how he lived it...full steam ahead! You all will be in our thoughts and prayers and wish we could be with you.*

*To the Larry Carty Family: Randy and I are so saddened to hear of Larry's passing. There are not enough words to describe his almost lifetime remarkable friendship with us. He was and is now truly a free spirit. We miss you Larry.

“ Larry had a construction brilliance unmatched by inexperienced individuals I admired for 40 years. We built a thing or two, at his direction, which to this day still make me smile. He was a very good friend who never changed his resolve which we can all aspire to. My highest respect and deepest sorrows extended to his family.
