“ To the Family of Lisa, I don't have just one memory of her I'd like to share but most of my young childhood. Lisa always treated me as her own. From always having a kind word for me to always showering me with love. Even when I'd grown and moved away, any time I'd see her I always got the biggest hug from her. She was one of a kind and this world is dimmer without her in it. Sending all my thoughts and love to you all. Love Ashley (Welch) Howdahl
