

Marita Kay Mendenhall

September 1, 1960 - January 15, 2026

Marita Kay Mendenhall was born on September 1, 1960, in St. Louis, Missouri. She was the daughter of Dolphie Mendenhall and Marcia (Liebler) Craft. She grew up in Salem and graduated in 1978 from Salem High School.

Marita was blessed with one daughter, Jonita, of whom she was immensely proud. After many years of being a dedicated mother to her daughter, Marita decided to continue her education, receiving her bachelor's degree in science and education. She graduated in 1995 and started her teaching career.

Marita was a devoted educator. She taught Social Studies at the Trenton and St. James School District before moving to special education at North Wood R-4 Middle School where she retired from. She was inspiring and caring, always thinking outside the box to reach her students, and drive them towards success.

Marita enjoyed doing arts and crafts, creating beautiful items, and giving them as gifts. She had a green thumb, loved to garden and tend to her plants. She had a passion for history. She loved reading and studying Native American History, their cultures, and ways of life. She enjoyed researching Dent County as well.

Marita always enjoyed helping others and for the last couple of years drove a

SMTS bus. She loved spending time at the river and going camping. She lived a life centered on love and connection, where her family and friends were her greatest treasures.

Marita passed away January 15, 2026, in Springfield, Missouri, at the age of sixty-five years.
