“ Marvin and I went hunting together and raced his 1968 blue Camaro, when he went in the service he had left that car with me. We had some fun times together, we grew up together. He was a good friend to all those whom knew him or get close enough to know him. Sorry, to hear such sad news. Toni Chapman

“ I always thought the world of Marvin. He stood for what he believed in and I always admired him for that. When we were kids it was always great fun when the Miller's, Gray's, and Adamick's all got together! It always took mom and dad awhile to round all us cousins up to go home! I'll miss Marvin and always remember him with a couple baby squirrels in his lap. Mary Ann Adamick

“ Marvin was the best friend I ever had. We grew together up as neighbors, schoolmates, hunting and fishing buddies. The amount of miles we walked, and hours we spent in the woods and fields as hunting companions would be impossible to calculate. I often think back on those days, and know that having a friend like Marvin was a blessing I will always treasure. He was a great person, and I am proud to have been his friend. He will be missed by many folks, especially me. Gods speed Marvin Miller, till we meet again.

“ *Very sad to hear of Marvin's passing. A great friend and super cousin. I always had a good time whenever we met up over the years, very comfortable to be with. He was Navy, I was Army but we never let that come between us (haha). I'm going to miss him. Stan Gray.*
