“ I knew of Mike for a few years. But didn't know the Mike until he went to work at MDC. There we became good friends. Always a laugh and a funny story. When he left MDC we would always keep in touch. Maybe some of our phone conversations lasted a little long. We had a lot in common. I will miss my good friend. Ruth Ann and family has our prayers and thoughts. Norman Steelman

“ I'll miss Mike's big smile and laughter every Tuesday on paper day:) We always loved to hear his stories, recipes and gardening tips. He brought us some sunshine every Tuesday even on the craziest days. He always said he was probably the only person addicted to the paper. He will be greatly missed.

“ I am sad to learn of Mikes passing. I will always remember him as a great friend. I have especially fond memories of the Turkey hunts we did together. Lots of fun times that started so early in the morning. Him and "Ole Woo Woo" his ten gauge turkey gun.

I also remember him as being a great co-worker while we were with MDC. In all of the good, bad and ugly of our jobs, Mike always kept it light and would find the humor in any given situation. No matter how unpleasant it was he could always make us laugh at it.

To Ruth Ann, you and Mike were always good to us no matter what. You would always speak and we considered you guys as friends to us and our boys. To you and your family, you have our deepest condolences and are in our thoughts and prayers. Leonard and Shirley Layton

*Remember back when we were neighbors and the times Mike took our girls for a "ride" on a sled pulled by the 3 wheeler. The snow drift that covered the Corvette. Such good times and memories of such a wonderful couple. Thank you both for the fun.
Love you guys*
