“ Please accept our deepest condolences on the loss of your mother, daughter, sister, niece, friend. Pam was a very quiet, sweet unassuming lady - good to the bone. I know she will be so sorely missed. Knowing Pam for 55+ years has been a pleasure, working with Charles in middle school was also a joy. We are so very sorry for you at this time of sorrow and anguish over her loss. May your memories of Pam be all positive and may there bring some measure of joy to temper your grief.
