“ *Some of my fondest memories of Aunt Pauline was all the family gatherings either at her home or my Grandmothers. She always had a smile on her face & a quick laugh. She liked music which was usually playing or when family would play & sing together. She was very loved by her siblings. Though I'm not sure she knew how much; but is with all of them now in Heaven. She's in all of our hearts & will be greatly missed.*
