“ *I have lots of wonderful memories of you Phil. You had a wonderful heart under that tough guy exterior. I remember witnessing you doing something very kind for someone and I told you how amazing you were. You flashed a little smile and told me not to tell anyone because it might ruin your bad reputation. We both laughed until we almost cried. You will be missed. I know you are with God and we shall meet again someday my friend. So it's not Goodbye it's see ya later.*
