“ *Travis & family, I am so sorry for your loss of your sweet mom. I know how your heart is aching & how much love you shared with her. Words are hard right now, but remember all those fun memories you shared will always be in your heart to hold near & get thru this horrible time. She & I shared you & Jared growing up from babies, hanging out close cousins. Memories in Monk & Velmas kitchen, good times, memories. Love ya all , prayers and hugs for strength at this very difficult time. She was a strong & beautiful person* ❤️
