“ Randy was more like a brother than a friend to Tony Roderman, and more like an uncle to our kiddos. He always joked around with them & was always there when Tony needed an ear to vent to or a hand with a project. He was a “lifer” for them, and I am so sorry to see that his life was cut so short.

Travis-I am SO sorry for your loss. Always remember this: When you are thinking of him-that’s when he’s there with you. ❤️
