Bobby Murr

Eulogy

Welcome to Robert Murr's celebration of a life and y'all know him as Bobby, he was larger than LIFE and charismatic!

We grew up together in Chicago IL., he was always much bigger., stronger., and athletic than us! IF you didn't know Bobby you could be easily intimidated by his size and confidence

We played a lot of games outside and would freeze our backyard in the winter time and skated which always included incredible laughter caused by his humorous ways! Bobby was the joker!

Even as he came of age and more aware of himself he carried himself in a genuine & sincere way., a way worthy of praise for the way Bobby & Donna raised their babies!

Back in those days Springfield., was like other neighborhoods in MO very social., connected, outgoing a feeling of belonging to something bigger than yourself! To the camaraderie we shared and embraced back then and still Bobby made himself fit right in., If he befriended you he was loyal to that friendship

Without hesitation or doubt.,IF those friendships he valued were threatened by outside negative people or events; Bobby would NEVER step back., but lean in passionately and fearlessly forward in DEFENSE of his FAMILY and Friends!

Our words today have no thought to make him a saint in his crossing of Life's river he wouldn't have any of that., y'all know Him! Bobby engaged in the adventure of life like all of us, he tasted heart ache and pain as we all share without complain or blame!

He accepted lives mistakes he learned from them and grew! He let those errors have their just effect on him! He changed he became more patient and kind!

Bob always had a great sense of humor!

He always had a way of turning to his humorous ways to Get us out of trouble or to bring us JOY and even calm in any stressful event, he was gifted with HUMOR & Wit!

We loved our cousin Bobby and received the same love from him as many of you did as y'all know!

Bobby was many things in Life, a life he celebrated and shared with all of us., he adored his family and always spoke proudly of his children.

Bobby

loved UNCONDITIONALLY!

In his final days with us his thoughts & prayers were not for himself but

for his children(especially his son)& grandchildren!

Isaiah 40:3

“those who hope in the LORD will renew their strength. They will soar on wings like eagles; they will run and not grow weary, they will walk and not be faint.”

Of his personal faith he could debate the written word with the best of us! Remembering he would always end with a statement “I believe in GOD”

When someone close to us dies we are faced with our own mortality! Our prayer for today is that each and everyone of us will experience the blessings given to us through HUMOR in honor of the spirit we all lost! Find the JOY in life., love unconditionally and most of all be true to ourselves! Love y'all

Bobby will be missed by all of us!!!!

*The hope is that our reflection on Bob's life today helps us grieve the loss of his kind humorous spirit that has now passed!
GOD willing we will meet again & as always we will smile!*

Love, Mark, Margo., Brian., & Pamela

*The Bible states: "the grace of God is so great who could know it"
We submit to y'all the answer is the prodigal
Son!*

“ Bob and Donna were our neighbors, our friends, and certainly like family to us. Over the years as our children became adults our daughters named our first grandchildren after each other. I hold many memories dear to my heart of Bob. He was a wonderful friend, always kind, happy, and he just loved life. Until we meet again my friend.

“ Bob and Donna and their family have been my 2nd family since I was about 8 years old. Bob has ALWAYS been the very BEST to me... And my sister and brother. Bob's ❤️ was bigger than the universe! Heaven got another good one. Some of my greatest childhood memories are with Murr's. Bob would take all of us kids hiking and cave exploring and he NEVER feel behind us... He would lead the whole pack of us. Such a great man! My prayers for the entire family. Sundays after church were always the best. There are no words to express how much I love this man and his entire family. Prayers for all of you! 🙏🙏🙏
