“ Chris and family-

*Roger was a friend starting in elementary school, we were close in 4th grade as he showered me with lots of valentines in my valentine box and post cards from his vacation that year and a stuffed pink cat which I kept for about 40 years in my memory box!! Roger will be remembered as a school friend and neighbor. His mother, Jeanette, was a blessing to our young family and Chris was a cute addition to come over to swim in the summer. Blessings to you and your family and comfort as you realize the loss of a father.*

Linda,

*I recall riding by trike down the Hwy and parking it at the bottom of the drive and swimming with your kids. I recall one summer when I had to work in the fields for your husband doing bails of hay... Thank you for the note about my dad and gran....*

*Sending sympathy to Chris and family- Roger was a friend and classmate through our high school years. We spent many hours talking on the long school bus rides to Cherryville. He was always a sharp dresser and looked so neat all the time. May God be with you all.*
