“ When I saw this post I did not know what to say. I am so saddened by the fact she has passed. Sherry and I had a very good friendship and we were bowling buddies. We would bowl tournaments all over Missouri in the 80's and sometimes they were 24 game tournaments and we would start at 10 o'clock at night and we would come out of the bowling alley with the sun coming up. She was always game to go bowl and our conversations were limitless and timeless. She was like my sister and when I left Salem for the FBI, we lost touch and never reconnected as I traveled alot. Sherry you will always be my bowling buddy and you will be missed, don't miss those ten pins up in heaven Sherry!
