“ *Teresa made a very big impact on my life. I met her when she worked as the librarian in the Salem middle school. I was a student at the time. She made me laugh everyday, was so sweet and always brought a wonderful vibe into any room she was in. I later found out by her that we were related. From that moment, I learned so much about our family, I got to learn about her and was so thankful to have such a bright spirit in my life. I am so grateful have gotten to know her and have had her in my life. I want to give her close family my condolences on their loss. I pray the lord takes good care of her and that she watches over us all and helps guide us from the afterlife. Rest in peace Teresa Brooks, I love you and will miss you dearly.* ”
