“ Terry was my son in law and the best one God ever made. He was so loving kind and good to my daughter April. Kids and animals always gravitated to Terry because they can sense a persons kindness and love. He was always helping people any way he could. He will greatly be missed by all of my family. If you told Terry goodbye he would say hello so hello Terry you brightened and touched many people's lives and I am thankful God brought you to our family.

“ When we first moved to Missouri, Terry was so welcoming and friendly to our family. He told my boys about local big foot and ufo stories. They thought he was so cool. Every time we saw Terry about town, he always took the time to truly say hello and converse. He was never too busy or too hurried for someone.

“ As a former classmate of Terry's at MHS I remember every morning Terry would be sitting right next to the jukebox in the cafeteria playing songs until the bell rang for homeroom. He sure loved everything music. My condolences to the family.

“ Terry was always very happy and loved to joke around. He could do just about anything! He played several instruments, loved to bake, could do mechanical work, loved to garden, do woodwork and most of all he loved the Lord! Animals and children adored him. He was one of the greatest blessings in my life! Love him so much and will miss him dearly!
