A wonderful brother-in-law. As a family we would float the Current. When Tom joined the family, he was invited to join the fun. We were floating in a smooth part of the river, Claudine was in the front of their canoe. Tom takes out the foam cooler, sat it on the water, puts his sunglasses and cap on top of the cooler. He grabs both sides of the cooler and leans all the way to the side...therefore tipping him and Claudine over into the cold Current. Claudine came up fighting and cussing. Tom just grins. We all knew then and there that Tom belonged in our family. Love you Tom and we will miss you.
