“ Sending prayers and love to Mr. Wilson's family. I know he meant the world to Jayden and Mason. He was their rock, their defender, and their biggest supporter! Many will miss him dearly, especially those two amazing young men! He was their world and they never wanted to disappoint him! “ I appreciate you. You were the best example of what a man should be. Thank you for being the most loving Grandfather to my children. God bless you and all who love you.

Tears fall because the pain of losing someone you love hurts. That pain is love, it's your proof they lived and you shared a bond you get to carry through the rest of your life. Each day you wake up feeling pain take a deep breath and remind yourself that pain is actually love. Love conquers all.

He is Gone

– Davd Harkins

*You can shed tears that he is gone,
or you can smile because he has lived. You can close your eyes
and pray that he'll come back, or you can open your eyes and see
all he's left. Your heart can be empty because you can't see him, or
you can be full of the love you shared. You can turn your back on
tomorrow and live yesterday, or you can be happy for tomorrow
because of yesterday. You can remember him only that he is gone,
or you can cherish his memory and let it live on. You can cry and
close your mind, be empty and turn your back. Or you can do what
he'd want: smile, open your eyes, love and go on.*

Dad's Love Remains

– Author Unknown

*Those we love remain with us
For love itself lives on,
And cherished memories never fade
Because a loved one's gone.
Those we love can never be
More than a thought apart,*

*Far as long as there is memory,
They'll live on in the heart.*
