“ *Karen and Kevin, Sorry to hear of the loss of your dear Mother. Can
you just
imagine your parents joined now in heaven. Im sure Vi will have a
lot to tell
your Dad. I have fond memories of going out to your family farm
with my Dad
and hauling cattle to the East St Louis Illinois stockyards. Loved
riding in those
trucks with DC Cotner written on the door. May you two find peace
in knowing
you had two of the finest parents to raise a couple kids. They both
were truly
special. God Bless you both and your families during this difficult
time.

“ *Dearest Violet, There will never be another like her! She was full of spit and vinegar, and always had a smile and a laugh for everyone. She really knew how to live, had a wonderful family that loved her dearly, and that she loved with all her heart. She especially loved her grands! Violet, you will be dearly missed, but you will add a lot of joy to those around you in heaven. I'm sure Delmar is happy to see you again! Love you girl.*
