“ Our thoughts and prayers are with Charlotte, Angie, and Scott.

I will always cherish the time I spent with Bill Floyd, especially when he took my 1968 Camaro under his wing and into his garage. The moment we fired up the new engine is unforgettable—we didn't just hear the open headers, we felt them.

It was a great learning experience, and I am eternally grateful for his mentorship. While I could never convince him to sell me Scott's blue '67 with a white top and deluxe interior, Bill did something even better: he taught me how to build my own.

Bill never sat still; he made things happen. His drive was evident in everything he touched, from starting his own glass business to rehabbing properties in St. Charles County and the Ozarks. I am deeply thankful to have known Bill.
